## Exams

We have booked our first set of exams which is happening in April, if your child is ready for their exam then they will have been given a letter already. We also have exams in June for Contemporary and Plan to have a further set of examinations in the summer and before Christmas next year. These are a fun opportunity for your child to showcase their work to an external examiner where once completed and we have the results each child will receive a certificate and Badge.

Exams are optional and if your child does not wish to take exams this will not affect them moving up to the next grade once they are ready and they will also get a certificate and Badge to award their hard work in the previous grade.

Please note exam children are chosen at the discretion of the teacher.
