## Exams

I'm thrilled to share that our dance students completely smashed our first-ever dance exams in April! Their performances were truly beautiful, and I'm so proud to announce that we achieved a 100% pass rate. We saw some truly fantastic results, and it's a testament to the hard work and dedication of our amazing students. Congratulations to all of our dancers on this incredible accomplishment!

## Reminder

**Please can I remind parents not to allow students to wear their dance shoes outside please bring a change of shoes.**

**Also please wait outside until you are let in the class by a teacher as this disturbs the class that is before yours**

## Apparel

We're excited to share some updates! We've switched our supplier for custom uniforms, making them more affordable and reducing turnaround times. Additionally, we've expanded our product line. You can still order all apparel through our online portal or directly at our studio. Enjoy the convenience and wider options!
